No. 17 (20)-E T /40.—With reference to the notification of the Government of India in the Department of Commerce, No. 17 (20)-E.T./40, dated the 18th June 1940, the following Order of His Majesty in Council is published for general information.—

AT THE COURT AT BUCKINGHAM PALACE.

The 11th day of June 1940.

PRESENT:

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas by reason of a declaration of war against His Majesty by Italy, His Majesty has been compelled to proclaim the existence of a state of war with Italy;

And whereas by an Order in Council, dated the 27th day of November 1939, His Majesty was pleased to direct certain measures to be taken against the commerce of Germany as an act of retaliation against the violations of the laws and customs of war, the rights of neutrals and the obligations of humanity committed by the German Government and recited in the said Order;

And whereas these violations have continued and are evidently part of the settled method of waging war which Germany has adopted;

And whereas Italy by her actions has associated herself with Germany in the present war and has thereby made herself a party to the method of waging war adopted by Germany and will share in any advantages derived therefrom;

And whereas the commerce of Italy will, equally with that of Germany, be employed to further the common cause of the enemies of His Majesty;

And whereas these facts give to His Majesty an unquestionable right to apply to the commerce of Italy measures similar to those taken against that of Germany;

Now, therefore, His Majesty is pleased by and with the advice of His Privy Council, to order, and it is hereby ordered as follows:—

Subject to the substitution of the 4th day of June 1940, for the 4th day of December 1939, in Articles 1 and 2 thereof, the Order in Council, dated the 27th day of November 1939, shall apply for restricting the commerce of Italy in the same manner as it applied for restricting the commerce of Germany.

(6) In every case under this rule, the burden of proving that the insolvency or indebtedness is the result of circumstances which, with the exercise of ordinary diligence, the debtor could not have foreseen or over which he had no control, and has not proceeded from extravagant or dissipated habits, will be upon the debtor.

NOTE.—(1) An officer or servant of a municipal council who intends to apply to be adjudged an insolvent under any law relating to insolvency for the time being in force shall intimate his intention of doing so to the authority which has the power to suspend such officer or servant and such authority may, if it thinks fit, suspend him from office.

11. *Restrictions on the publication of documents and on communications to the press.*—(1) No officer or servant of a municipal council shall, in any document published under his own name or in any communication made to the press under his own name or in any public utterance delivered by him, make any statement of fact or opinion which is capable of embarrassing—

(b) the relations between His Majesty or the Governor-General and any foreign State or Prince or any Ruler of any State in India.

(2) An officer or servant of a municipal council who intends to publish any document under his own name or to make any communication to the press under his own name or to deliver any public utterance containing statements in respect of which any doubt as to the application of the restrictions imposed by sub-rule (1) may arise, shall submit to the Government of Madras a copy or draft of the document which he intends to publish or of the communication which he intends to make or of the utterances which he intends to deliver, and shall not publish the document, make the communication or deliver the utterance save with the sanction of the said Government and with such alterations, if any, as they may direct.

12. *Evidence before committees.*—An officer or servant of a municipal council shall not give evidence before a public committee, unless he has first obtained the permission of the executive authority of the municipal council under which he is serving, or if he is on leave, under which he was last serving. This rule shall apply only to whole-time officers and servants.

14. *Taking part in politics.*—Subject to any general or special order of the Provincial Government, no officer or servant of a municipal council shall take part in, subscribe in aid of, or assist in any way, any political movement in India, or relating to Indian affairs. When there is room for doubt whether any action which an officer or servant proposes to take will contravene this rule, he should refer the matter to the Provincial Government through the executive authority.

NOTE.—Subscriptive activities or the expression of political sentiments by an officer or servant will be regarded as sufficient ground for dispensing with his services.

15. *Responsibility of officers and servants for acts of their family.*—An officer or servant of a municipal council is responsible for any act done by a member of his family, which raises the suspicion that it was done on his behalf or for his benefit.

16. *Vindication of acts and character of municipal officers or servants as such.*—An officer or servant of a municipal council may not, without the previous sanction of the executive authority have recourse to any court or to the press for the vindication of his official acts or character from defamatory attacks.

Nothing in this rule shall limit or otherwise affect the right of any officer or servant of a municipal council to vindicate his private acts or character.

17. *Address while under suspension.*—When an officer or servant of a municipal council is suspended, he is free to go where he likes, but he shall leave his address with the head of his office, or if he is himself the head of an office with the executive authority. He shall obey all orders to attend any inquiry into his conduct, and if he fails to do so the enquiry may be held in his absence.

18. *Influencing superior authorities for furtherance of interests.*—No officer or servant of a municipal council shall bring or attempt to bring any political or other outside influence to bear upon any superior authority for the furtherance of his interests. 10. The knowledge of the duplicating machines mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examination of January 1935. They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the *particular* kind of typewriter which they used while answering the written test.

11. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall, their own tables, chairs or stools, if they choose, provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the right hand corner of their answer papers and the particular kind of Typewriter they use at the left hand corner, typed before the question paper is given to them.

12. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

13. The candidates will, if necessary, be examined in batches but at least every *four* candidates for the Lower grade, at least every *two* candidates for the Higher grade, must have one machine among them.

14. Managers and Instructors of Institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

15. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

16. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor, if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; the action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

17. A similar concession will be allowed in the case of a private candidate, if he has someone outside who is willing to inspect the machine and put it right, etc.

18. *No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.*

In the Mufassal.

19. Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned *four* days before the examinations and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

20. **Lower Grade—Candidate's Hall Ticket.**—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates elect to appear) will be issued on Monday, the 21st October 1940, between 11 a.m. and 1 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only, if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chances of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on Monday, the 21st October 1940, with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

21. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

22. Candidates for the *Higher grade* may appear for the first or second batch at their option and *no tickets accordingly are issued for this grade.*

23. **Instructor's Hall Ticket.**—Managers or Instructors of institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Monday, the 21st October 1940, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Attention is particularly drawn to the following rules.

24. 28. *No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind.* Any candidate detected in the violation of this rule or detected in speaking to or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith, and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

35. No candidate will be allowed to exceed the time assigned to each paper.

36. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from

N.B.—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure in furnish even any one of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper must on which the candidate's register number and name of centre will not be valued.]

38. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves including their address, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

39. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

40. *Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit, or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examinations.*

41. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.
